## SECOND SUNDAY OF ADVENT

December 7, 2025

### Turning and Mending (Again)

Being on the receiving end of sharp language can be heartbreaking. Indeed, words can wound—or worse. John the Baptizer, a key figure in our Advent narratives, finds himself at odds with other religious leaders of the time, and uses the tool he has (language) to call attention to their broken relationship. It's unclear what exactly led to this prickly, pointed exchange between John and the Pharisees and Sadducees, but there is a growing chasm between them.

“Prepare the way of the Lord,” John cries out in the wilderness, echoing the prophet Isaiah. Isaiah cried out in his own day centuries prior, testifying to God’s desire to mend the world (though the world seemed to be at an end). Perhaps John repeats Isaiah’s plea in order to remind the people of his day of God’s intent for all things: for the world to be mended, healed, made right; for the reign of heaven to be revealed on earth, here and now. Often, however, mending brokenness requires honesty first about the wounds that have been inflicted and the death that has been wrought. With John’s painful honesty, his strained relationship with other leaders of his time takes a step toward healing, toward justice, so that a new beginning might take hold. This is a starting point, as difficult as it may be.

Every Advent, as the church year begins again, we hear the familiar call: *Repent. Turn back to God.* Repentance is no easy thing, but thankfully, God draws us back to this imperative, year after year, day after day, hour after hour. With infinite mercy, once again God invites us to turn toward healing, toward justice, toward the righting of the world, one relationship at a time.

**GOOD GIFTS ANIMALS TO “FILL THE STABLE”-2025**

A new tradition at Faith is to donate poinsettias to decorate our church home to ‘welcome the baby Jesus’. We know too that the shepherds found baby Jesus lying in a manger, surrounded by God's animals. Many of our Christmas songs refer to the animals in the stable: “Away in a Manger” mentions “the cattle are lowing”, and “The Friendly Beasts” refers to the donkey – shaggy & brown, the cow – all white and red, the sheep – with the curly horn.

This is the first year -- and maybe now a tradition at Faith -- that the option is provided to “fill the stable” with animals to welcome the baby Jesus. We believe that God’s love in Jesus is a gift to us, and through ELCA Good Gifts and World Vision, we can share that love with others. Our donations to buy animals can transform the lives of families in need. Many of these animals can be used not only for food, but also to generate income. The costs of the animals are listed below. Donations for animals may also be given in memory and honor of loved ones and be listed in the Christmas Eve bulletin.

<b>cow</b>	<b>\$500</b>	<b>Share of a Cow</b>	<b>\$50</b>
<b>piglet</b>	<b>\$30</b>	<b>10 chicks</b>	<b>\$10</b>
<b>goat</b>	<b>\$50</b>	<b>rooster</b>	<b>\$15</b>
<b>sheep</b>	<b>\$150</b>	<b>chickens</b>	<b>\$25</b>

What better way to celebrate the birth of Christ than to share these same animals so that families can prosper! Sheep produce warm wool, cows and goats give protein and milk, and chickens provide an abundance of nutritious eggs. As the animals multiply, families can sell surplus food for extra income. A bountiful and enduring blessing! These gifts can make a real, life-changing difference for those around the world who live with hunger and poverty.

**Donations must be received by Dec. 8<sup>th</sup> to guarantee your dedication is listed in the Christmas bulletin.**

## **Upcoming Commemorations**

### **Ambrose, Bishop of Milan, died 397**

**Sunday, December 7, 2025**

While a governor of northern Italy, Ambrose was elected bishop of Milan on the same day he was baptized. He was a famous preacher, a writer of hymns we still sing today, and helped lead St. Augustine to faith.

### **Lucy, martyr, died 304**

**Saturday, December 13, 2025**

Lucy was a young Christian of Sicily who was martyred during the persecutions under Emperor Diocletian. Her celebration became particularly important in Sweden and Norway, perhaps because the feast of Lucia (whose name means "light") originally fell on the shortest day of the year.
