## FOURTH SUNDAY OF ADVENT

**December 21, 2025**

**Promises Made Real**

Dreams are delicate things, often hanging in our minds only long enough to evaporate in the morning like dew on the grass. Yet dreams can also endure and shape the arc of social movements and the identities of people near and far. Joseph has the rare privilege of an *angelic* dream, of all things—a visitation from a divine messenger, beckoning a change of heart and a change of direction for him and the person he loves.

It is no small thing to change direction in life, especially when family expectations and social norms can make life harder than it needs to be. Yet, Joseph and Mary do a remarkable thing as they face uncertainty: They trust God's promise that something incredible is about to happen. They take the angel's words to heart and lean into the possibility of God's Holy Spirit doing something neither of them expected.

Joseph and Mary are at a precipice, a pivot point, a threshold, a new beginning. Isaiah's language reminds us of the relationship that stands at the center of this divine arrival: God is with us, God is with humanity, God is with (and in) the world! *Emmanuel!*

We stand at a similar threshold every time God gathers us in worship. In word and sacrament, God's promise unfolds anew, birthing love and grace in our lives. Such mercy may seem like a fever dream, a vanishing vision, an impossibility. Yet it is the very thing that undergirds our lives of faith, turning us time and again to what is most important: God's promises fulfilled. As God chose to be with Mary and Joseph, God has chosen to be with us, as we together bear witness to the Spirit who brings about a world where sin is forgiven and God is ever near.
